

SHIPBROKERS
**YOUR PARTNER
ON THE SEAS**

SERVICES DIVISION

For the account of the cooperatives and grains merchants, industrial groups, ship operators, traders, we select vessels according to their requirements.

Without geographical limitation our staffs assist you in the maritime transport of your commodities by chemical and oil tankers, dry bulkers or MPP.

We compare and advise on offers received with regard to technical suitability and commercial terms. We advise our customers in their choice and negotiate shipping contracts on their behalf.

We compare, advise and negotiate the chartering and we follow up the voyages.
